Welcome Message from the Family Readiness Officer

Dear Family Member:

On behalf of Lieutenant Colonel Mikel R. Huber, Commanding Officer, Marine Unmanned Aerial Vehicle Squadron 2 (VMU-2), I would like to take this opportunity to welcome you to our family. I am very excited to serve as your Family Readiness Officer and ask that you allow me the opportunity to assist in whatever your family readiness needs might be. Whether providing official two-way command communication, information and referral services, readiness and deployment support, or volunteer management, I stand ready to meet these needs.

In cultivating a sense of community among our families, I look forward to the events that we plan throughout the year. Thus, you are an integral part of the planning and preparation that goes into making an event successful. Please consider volunteering for any event that our unit plans or organizes. Knowing that VMU-2 will benefit greatly from your volunteer efforts, our community, in general, could truly use your support as well. For volunteer opportunities and to assist you in learning more about our programs aboard Marine Corps Air Station Cherry Point, please visit our unit website via the following link: <http://www.usmc.mil/unit/2ndMAW/macg28/vmu2/Pages/FamReadiness.aspx>.

You can also find us on Facebook: <http://www.facebook.com>

You are a valued member of our command, and my heartfelt desire is to support the family element in sustaining their readiness. Feel free to contact me with any questions, concerns, ideas, or suggestions you may have regarding the Family Readiness Program.

Thank you, and again, welcome to the VMU-2 Family!

Sincerely,

Jeannette Young
